

ClassFlow Educator Badge Guidelines

Congratulations you've completed your ClassFlow Educator courses! Your badge will be released through Badgelist within 5 business days. Please join other ClassFlow Educators on Facebook at <https://www.facebook.com/groups/classfloweducators/>

Your use of the ClassFlow Educator badge is subject to your adherence to the ClassFlow Educator Requirements below:

Promethean grants you the license and right to use, display, and publish Promethean's "ClassFlow Educator Badge" and promote yourself as a ClassFlow Educator subject to the following:

1. The use, display and publication of the "ClassFlow Educator Badge" should always be in a professional manner and as you deem appropriate to (1) promote yourself as a ClassFlow Educator, (2) promote ClassFlow, (3) encourage others to use ClassFlow, and (4) demonstrate or explain ClassFlow features and capabilities to your peers, colleagues and other educators. We specifically encourage you to freely use your ClassFlow Educator Badge for these purposes including presenting, promoting and demonstrating ClassFlow at education conferences and summits, seminars, educator association meetings, teacher meet ups. You are not restricted from receiving reasonable compensation or other rewards for participating in these events.
2. While you are encouraged to provide free ClassFlow training within the educational institution or district where you are employed, you are not permitted to use your "ClassFlow Educator Badge" or your status as a ClassFlow Educator to provide professional development or other training regarding the use, features or capabilities of ClassFlow for a fee or as a paid service offering direct to schools or school districts. If you have any questions about this, please contact Promethean before agreeing to provide these services.
3. Your ClassFlow Educator Badge and status are only valid for the year indicated on your badge. In order to maintain your status and receive your badge for the following year you must complete any new ClassFlow Educator courses in order to update you as to any new features and functions of the product. Your badge will automatically be renewed for the next year if there are no new ClassFlow Educator classes required. Please go to www.classflow.com to check if new course requirements exist and to obtain your new badge each year.
4. The ClassFlow Educator program is voluntary and no payment is required to participate. You understand and agree that Promethean may at any time and within its sole discretion suspend or terminate the program. In such case, the license granted here under will terminate and you may no longer use or display the ClassFlow Educator Badge or promote yourself as a ClassFlow Educator.
5. To the extent you fail to adhere to the above requirements, as determined in Promethean's sole discretion, Promethean may terminate the license granted hereunder by providing you written notice of termination.

Please let bethany.beaudrie@prometheanworld.com know if you have any questions.
